

“THE TALENTED DUO”

Velia Newman

Velia is one of Australia's leading young female artists with a diversified collection of investment paintings to select from. These works are sold worldwide. Her art is refreshing, vibrant, modern and colourful. Velia is a full time artist who works have had an enormous impact at such an early stage in her career.

Velia is now represented in Galleries in New York, Miami and Los Angeles in the USA where the paintings are so different they are having huge success.

Velia went to Queenwood School and is enjoying a return to Mosman and the area where she grew up.

Ted Lewis

Ted has been painting full time for over 30 years and held his first one man exhibition at the age of 18 years. Ted has won many art awards during the years including the Royal Easter Show.

Ted is one of Australia's best outback and Australian bush artists capturing the perspective, light and colours to perfection. He enjoys painting trips to Central Australia and the Outback with other artists painting on site.

“Everywhere you turn there is a challenge in the great outdoors of Australia.”

Ted's paintings are sold Australia wide with his Sydney Harbour and Balmoral paintings enormously popular at Moulton Galleries as well as his unique outback works.

This will be a fantastic exhibition that will create an ambience and joie de vivre in any home.

You and your friends are cordially invited to an exhibition by two of Australia's most accomplished artists, totally different in styles.

VELIA NEWMAN & TED LEWIS are both highly experienced and accomplished artists with a huge following at Moulton Galleries and across Australia.

Opening SATURDAY 27TH SEPTEMBER, @ 2PM to meet the artists. The exhibition will be current until the 30th October, 2008.
